SUCCESS. Meeting with Professor Lockyer

Michael Macklin <michaelmacklin@me.com>

10 April 2021 at 15:47

To: Neville Buch <nbuch61@gmail.com>

Great outcome it seems. Always wondered why universities have made so little acknowledged use of local historians and retired academics by inviting them to give specialised course segments for the normal fee structure. They would get vastly more out of such a group than they can from overworked academics on staff who not only have to teach but also administer and research and get in external funding.
Hope Professor Lockyer stays in touch.
